

# **The Henry Williamson Society Spring Meeting 15-17 May 2026**

## **Risk Assessment**

This risk assessment is undertaken to comply with our insurance policy.

- Members are reminded that it is their personal responsibility to decide on the level of their capability and whether they should participate in any of the Society's weekend activities.
- There are five steps up to the Castle Street front entrance of the Bulkeley Hotel. There is ramp access from the Seafront (car park) rear entrance. There is an internal ramp between the front entrance and the Ballroom, where the meeting will take place.
- The Hotel has three floors. There is a lift from the ground floor to the first and second floors.
- There is ramp access into Oriel Mon, and level access throughout.
- During the walk round Malltraeth, care should be taken as we will be walking beside busy roads, and by deep water.
- If anyone offers a lift in a private car, they should ensure that they have insurance cover for passengers.
- Any activities engaged upon from breakfast onwards on the Sunday are at Members' own risk and are not covered by the HWS insurance.
