

## EVENTS SINCE THE MEETING

I am pleased to report the following matters resolved since the Inaugural Meeting.

### Vice-presidents

Frances Horowitz and Fr Brocard Sewell have sent gracious letters accepting their nominations as first Vice-presidents.

### Publicity Officer

It was felt that this office would fully extend Robin Bostock-Smith in the important South West Region, with little time to take on National work. With this in mind the Committee invited a nomination for a National Publicity Officer, and are pleased to advise that the following London based member has accepted this office:

### National Publicity Officer

Timothy Osborne,  
7 Holland Road,  
London W14

14.

Research Co-ordinator

As noted in the Meeting Summary, Dr David Hoyle has accepted his nomination to this important office.

Henry Williamson's Owl Device

I am delighted to advise that Richard Williamson as executor of the family Trust has granted permission to the Society to use this emblem, fully agreeing on how apt this would be. Grateful thanks are extended to our President for granting this permission, and to Harry Williamson for his initial proposal.

Ex Officio Member

The Society is most pleased to co-opt, on behalf of the Williamson Estate, as an Ex-officio member, Anne Williamson, Literary Advisor on behalf of the Henry Williamson Literary Estate.

A number of those receiving this first Journal knew, or had connections with, Henry Williamson. I am sure there will be others who might wish to contribute or aid the Society in a number of ways. Some areas are suggested below, and if the answer is "yes" to any of the questions I would be most pleased to hear from you; please provide brief details in the first instance.

Did you have any connection, literary or otherwise, with Henry Williamson?

Are you contemplating, currently undertaking, or have previously carried out any research into the life or works of Henry Williamson?

Have you any special skills or knowledge that you could offer the Society?

John Homan  
General Secretary
